

The Caughlin Ranch Landscape Maintenance Crew relieves their seasonal team on November 18th, keeping the year-round crew of 6, until the first Monday in April when the seasonal team returns. Following an arduous schedule of defensible space clearing, and moving into winter, the crew remain busy with snow leaf removal, tree pruning, repainting monument signs & equipment maintenance and repair. The snow removal is executed at the offices, Caughlin Creek & Deer Creek, Promontory Pointe, Eaglesnest, Mountainshyre, and all pathways and parks.

Please refer to *“Snow Removal – CRHA Policy”* under *“Common Areas”* for information & resources on all other snow removal, not listed above.
