

DATE: JANUARY 10, 2024

TO: ALL CAUGHLIN RANCH HOA OWNERS & RESIDENTS

FROM: LISA NUNLEY, GENERAL MANAGER

**SUBJECT: ALUM CREEK BRIDGE CROSSING –
PROJECT TO BEGIN TUESDAY, JANUARY 16, 2024**

.....

Dear Caughlin Ranch HOA Owners & Residents,

On Tuesday, January 16, 2024, work begins to rebuild the crossing over Alum Creek near Caughlin Glen (map attached).

For your safety, and those of the construction crews, the walking paths in and around this area will be closed for the duration of the project.

We know that many of you frequently walk along this area, and we ask that you establish an alternate route until the new bridge is built and the walking paths are reopened.

We know this is an inconvenience, and we appreciate everyone's cooperation. The result of this project will be an upgraded and safer crossing over Alum Creek with an improved water flow capacity.

If you have any questions, please contact the office at 775.746.1499 or email us at admin@caughlinhoa.com.
