Enforcement Procedures - In enforcing the violations of the Governing Documents and the Rules and Regulations, the Association will comply with the most current version of NRS Chapter 116, including NRS 116.31031, which at the time of adoption of these Rules and Regulations provides in summary, in part, as follows:

1. Reports of alleged violations must be submitted in writing to the Association office. **A Caughlin Ranch address is required in order for staff to follow-up.** Pictures with a date and time stamp (if possible) are required if staff is unable to photograph the alleged violation.
2. Within a reasonable time after the discovery of the alleged violation, the unit's owner and, if different, the person against whom the fine will be imposed has been provided with:
 - (a) written notice specifying in detail the alleged violation, the proposed action to cure the alleged violation, the amount of the fine, and the date, time and location for a hearing on the alleged violation;
 - (b) providing a clear and detailed photograph of the alleged violation, if the alleged violation relates to the physical condition of the unit, the grounds of the unit, or an act or a failure to act of which it is possible to obtain a photograph; and
 - (c) a reasonable opportunity to cure the alleged violation or to contest the alleged violation at the hearing.
3. The Board may appoint a committee, with not less than three members all of which must have paid all assessments which are due to the Association, to satisfy the Board's obligation to conduct hearings on alleged violations and to impose fines ("Committee").
4. The Board or Committee must schedule the date, time and location for the hearing on the alleged violation so that the unit's owner and, if different, the person against whom the fine will be imposed is provided with a reasonable opportunity to prepare for the hearing and to be present at the hearing. The owner or other person to be fined may appear, be represented by counsel, and be heard at the hearing.
5. The Board or Committee must hold a hearing before it may impose the fine, unless the fine is paid before the hearing or unless the unit's owner and, if different, the person against whom the fine will be imposed executes a written waiver of the right to the hearing or fails to appear at the hearing after being provided with proper notice of the hearing.

Hearings shall be conducted by the Board or the Committee on an informal basis, which shall not be bound by formal rules of evidence. The Board may adopt such reasonable rules as it deems advisable covering the conduct of such hearings.

The Board or Committee may render a decision on the violation and:

- a. Dismiss the matter;
- b. Assess a fine commensurate with the severity of the violation and require payment within 30 days;

- c. Postpone the assessment of the fine and direct Association staff or the owner to provide more information. In the event the owner is required to provide more information, and the owner fails to provide the information by the required deadline, the Board or Committee may decide the issue based only on the information before the Board or Committee;
 - d. Grant reasonable variances or adjustments to the amount of the fine where literal application thereof, in the opinion of the Board or Committee, will create hardship to the homeowner and will not be materially detrimental or injurious to other Association members; or
 - e. The owner will be notified by mail of the Hearing Committee's decision, including the assessment of fines or construction penalties, if any.
6. The minutes of the meeting shall contain a written statement of the results of the hearing and the fine or penalty, if any, imposed, and a notice of the results of the hearing shall be mailed to the owner within a reasonable amount of time after the hearing.
7. If the Committee renders a decision on a violation and/or fine, the decision may be appealed to the Association's Board by the Association's General Manager or the owner or person to be fined. The appeal to the Board must be made in writing and must set forth the reasons the owner believes the Hearing Committee's decision should be changed. All written appeals must be received at the Association's office within ten (10) days of the Hearing Committee's decision, or, if the owner was not present when the decision was made, the date the Hearing Committee's decision is mailed to the owner. The Board will review a timely appeal at the next regularly scheduled executive session so long as the appeal can be timely included on the Agenda for that meeting. The Association will notify the owner by regular mail of the date and time of the executive meeting when the appeal will be heard. If the owner does not appear at the scheduled meeting, the Board will proceed to decide the appeal based on the materials submitted by Association staff and the appellant. In deciding the appeal, the Board will have the same options as set forth above and is not bound by the decision of the Committee. If the owner is not present at the meeting, there will be a written response sent to the homeowner regarding the Board's decision.
8. In addition to imposing a fine, the unit owner or tenant upon whom the fine was imposed will be prohibited from voting on matters related to the Community or using the common elements in the Community.
9. 1. Violations of the Residential Restrictions, Guidelines and Policies not subject to Construction Penalties and Rules and Regulations will be subject to the fines set forth below.

a. Health, Safety, or Welfare Violations. If the violation poses an imminent threat of causing a substantial adverse effect on the health, safety, or welfare of the unit's owners or residents of the Community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the Board or Committee in accordance with the Governing Documents and will be at least \$100.00 per day plus any expenses incurred by the Association to mitigate, remediate or correct Health, Safety, or Welfare violation(s) that are not immediately resolved by the owner.

b. Other Violations. If the violation does not pose an imminent threat of causing a substantial adverse effect on the health, safety, or welfare of the unit's owners or residents of the Community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the Board or Committee in accordance with the Governing Documents, but the amount of the fine must not exceed \$100 for each violation or a total amount of \$1,000 per hearing. The minimum fine for a violation is \$100 for the first occurrence, and \$100 per week for a continuing violation. The limitations on the amount of the fine do not apply to any charges or costs that may be collected by the Association if the fine becomes past due.

2. **Construction Penalty Schedule.** The Association may impose and enforce a construction penalty against a unit's owner who fails to adhere to a schedule or requirements of the Board or ACC for the commencement, completion, or issuance of a permit for the construction of a unit or an improvement to the unit. The construction penalties will be \$250 per violation, and \$250 per week for a continuing violation.

3. Costs of Collection, Attorney's Fees and Costs and Liens.

- a. The Association has a lien on a unit as allowed by law, including without limitation, for the following:
1. Any construction penalty that is imposed against the unit's owner pursuant to NRS 116.310305;
 2. Any assessment, including, without limitation, annual, special or reserve assessments, levied against that unit;

3. Any fine imposed against the unit's owner;
 4. Any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102.
- b. Failure to pay any penalty or fine shall be deemed to be a continuing violation of the Rules and Regulations of the Association.
 - c. Fines may be collected in like manner as delinquent assessments and, until paid, shall constitute a lien on the property of the offender in like manner as a delinquent assessment, and may be enforceable as such in accordance with the provisions of the Governing Documents, including, without limitation, the Association's Delinquent Assessment Collection Policy.
 - d. The Association may not foreclose a lien by sale based on a fine or penalty for a violation of the Governing Documents or these Rules and Regulations to the extent prohibited by NRS 116.31162, unless the violation poses an imminent threat of causing a substantial adverse effect on the health, safety, or welfare of the unit's owners or residents of the Community, or the penalty is imposed for failure to adhere to a schedule required pursuant to NRS 116.310305.
 - e. The Association is entitled to collect attorneys' fees and costs to cover the cost of collecting any past due obligation, including any fine or penalty as provided in the Governing Documents, these Rules and Regulations and as provided by law, including, without limitation, NRS 116.310313, NRS 116.3116 thru 116.31168, and any statute adopted prior to or subsequent to these Rules and Regulations allowing for the recovery of fees to cover the costs of collecting any past due obligation.

The Association is entitled to collect attorney's fees and costs to cover the cost of collecting any past due obligation regardless of whether the past due obligation is collected by the Association itself, or any person acting on behalf of the Association. The limitations of fees and costs recoverable by regulation, if any, are included in the Association's Delinquent Assessment Collection Policy.

- f. Any past due fine must not bear interest if prohibited by statute, but the Association is entitled to collect any fees, including attorneys' fees, or costs incurred by the Association to enforce the payment of the past due fine.

4. Cumulative Remedies. The fine schedule and remedies set forth in these Rules and Regulations are in addition to and not a substitute for any other remedies the Association may elect to enforce under the Governing Documents or law.

The Association reserves the right at any time to proceed, at law or in equity, to prevent the occurrence, continuation or violation of any provision of the Governing Documents or these Rules and Regulations. When appropriate, the Board will direct its counsel to file for Arbitration in accordance with Chapter 38 of NRS, when circumstances warrant legal action.
