PRESIDENT'S CORNER

A Message from the New HOA Board President

I am truly honored to serve as the new President of the Caughlin Ranch HOA Board. As a third-generation Reno resident, I've had a front-row seat to the city's growth. My wife Dana and I raised our three daughters in Caughlin Ranch,

where we've called home for 33 years. Where else can you see neighbors, deer, and the occasional overly confident goose all in the same morning?

Professionally I've spent the past forty-one years with NV Energy, currently as the Manager of New Business Design. I've also been involved with the Caughlin Ranch Board for many years, serving from 2003–2008 and again from 2019 to today. Apparently, I just can't stay away.

Community service has always been important to me. I am currently on the City of Reno Neighborhood Advisory Board for Ward 2, and as of last December, I wrapped up twelve years on the City of Reno Parks and Recreation Commission—where I happily spent many meetings reminding everyone that parks don't maintain themselves.

Dana and I have also been triathletes (Swim-Bike-Run) for the past 32 years. We've competed in 17 states and 6 countries, proving that nothing strengthens a marriage quite like asking, "Whose idea was this?"

I truly love living in Reno and more importantly in Caughlin Ranch. There is no better place in Reno to call home, and I'm committed to preserving what makes our community so special—our trails, common areas, and the beauty that keeps our home values strong.

We encourage you to stay involved, attend meetings (in person or in your comfiest virtual meeting slippers), and help us keep Caughlin Ranch thriving.

Wishing you all a very Happy New Year! Stay updated at www.caughlinhoa.com, and remember—our office staff is always here to help.

Let's make 2026 a great year at the Ranch!

Happy New Year

AND WELCOME 2026!

Lisa Nunley
GENERAL MANAGER

Goodness. Seems like I was just getting used to writing 2025 and now we're moving onto 2026!

In the Nov/Dec edition of the Rancher, I listed a recap of some of the major projects and improvements that took place in 2025. It was a productive year, as is usual for the Board and Staff of Caughlin Ranch HOA (CRHA). What's next, you ask?

Plans for 2026. In addition to the regular and routine tasks that take place throughout the year, some additional projects anticipated for 2026 include (but are not limited to):

- Firewise Adapted Community. Work with our Fire Safety Consultant, Tray Palmer, and the State Dept of Forestry to complete the steps necessary to achieve Firewise Adapted Community status. A Board Subcommittee will be established during the January 28th Board of Directors Meeting, consisting of staff, board and homeowner members. If any homeowners are wanting to participate, please email gmnunley@caughlinhoa.com prior to the meeting.
- Defensible Space. The sheep will be returning to the common areas of CRHA!
- Neighborhood Entry Signage. Determine which entry signage monuments require refurbishment and/or replacement and select three to five from that list to update during 2026.
- Asphalt Maintenance. Annual assessment and potential work to be performed on walking paths and some private streets.
- Landscape and Maintenance.
- Repair the 4-inch mainline in Village Green Park to eliminate a slow/perpetual leak. This is a big project that will require the assistance of multiple crew members.
- Line and rock the creek output from Gate 24 from Steamboat Ditch. This will help reduce water loss and increase the amount of water available for irrigation.
- Continue with shrub replacements throughout the Ranch.

- Rules & Regulations Review and Revisions. Another deep dive into the Association's Rules & Regulations, including the ACS&G's will take place during the year for presentation to the Board for their approval in the September Board Meeting.
- Annual Elections. This past year's Board Elections provided the option for homeowners to vote electronically. This effort was a success with the Association saving approximately \$6,000-\$7,000 in printing/mailing costs. This will be on the Board's agenda to consider once again for the 2026 elections.
- Strategic Plan. The Strategic Plan was put on hold for the 2025 fiscal year. The Board will once again begin working on the review and revision of the Plan for the next five-year period.

The above lists some of the projects planned for 2026. Every day staff are here to serve the members of the community and support the Board of Directors as they work to protect, maintain, and enhance the assets of the Association. Meetings of the Board are held six times per year (Jan/Mar/May/Jul/Sep/Nov). All homeowners are welcome to attend the General Board Meetings and observe how your Board works together on your behalf. Please see the Notices & Reminders section to learn about the results from the recent Board election.

In closing, I would like to share a personal achievement with you. In early November I obtained CAI's Large Scale Manager (LSM) designation. This designation is earned by having more than 10 years' experience (I'm in year 20), and by completing more than 100 hours of course work. Participation on CAI committees (Legislative Action Committee and Education Committee), managing large scale associations, holding the PCAM designation, and an adherence to a code of ethics is also required. I am proud to have earned this designation (one of 140 worldwide), and even more proud that it represents the community I manage.

On behalf of the Board, its Committees and Staff, I wish you the best of all things for the new year!

As our plane started down the Reno/Tahoe runway, I turned to my wife Dana and declared, "And the adventure begins!" We left on Saturday night and arrived Monday morning in Sydney, and Sunday October 12th had apparently been erased from the calendar. Australia was already seventeen hours ahead of Reno, which meant we had effectively time-traveled into the future. Sadly, I didn't come back with lottery numbers.

Flying home was even more impressive. We left Brisbane at 10 a.m. Thursday and landed in Reno at 9 a.m. Thursday, an hour before we took off.

The Race

This was the seventh time Dana has made it to the World Triathlon Championships, and she's taken us all over the world. People usually ask me "Do you do triathlons too?" Yes, I do and for the past 32 years Dana has been faster than me! On the rare occasion I finish ahead of her, the car ride home feels a lot longer than 14 hours to Sydney. Throughout the year, I will usually place in local races and qualify for nationals, but it's there where my season usually comes to an end and Dana's continues.

At the World Championships, my role is Sherpa. I handle logistics, carry bags, and cheer loudly. Having done triathlons myself, I'm good at reading race maps and positioning myself for the best photo ops. Plus, the destinations don't hurt—this time we were in beautiful Wollongong, Australia, a coastal gem with beaches that look Photoshopped.

This is a standard distance triathlon also known as Olympic. 1 mile swim, 24-mile bike and 6.2-mile run. The swim started in a protected bay and then proceeded to the open ocean before returning to the start area, which made it easy as a spectator to follow along. The bike was a three-loop course with one hill. That was easy work for Dana since we train in Caughlin Ranch; all our training rides end uphill. The only catch with the bike portion is we don't take Dana's bike with us on the trip — she rents one. The run portion was a two-loop course through the streets of Pontevedra. There were thousands of spectators along the course cheering on the athletes, which made the multiple loop course even more exciting for the spectators and athletes.

Dana had her best finish ever at this year's race, placing seventh in her age group out of 43 participants. (Even on a rented bike!)

Post-race, we flew north to Cairns to check off a bucket-list dream: the Great Barrier Reef. Nature delivered in high definition—a 15-foot crocodile, a wallaby, wild parrots, and my personal favorite, a six-foot black-tip reef shark. A friendly snorkeler pointed it out, and of course, I swam toward it. Dana's eyes got so wide I thought she might start a new personal best underwater. Luckily, the shark veered off into the blue abyss—probably sensing I wasn't edible enough.

This past August in Milwaukee Dana qualified for next year's world which will be held in Ponte Vedra, Spain. The only problem is we were there three years ago for Worlds and we're not sure if we want to go back and see the same place. The side trip would be to the Azore Islands where my grandfather was born, so maybe?

Stay tuned for next year's adventures from the road.

Thank you to Christy Funk and her grandkids Luke & Emily who bring us Angel Tree gifts every year! The kids even sang a rendition of "Santa Claus is Coming to Town" upon delivery!

Thank You

Mike Heffner

At the November 19th Annual Meeting, the Board, Staff and Homeowners relayed their sincere thanks to Mike Heffner for his many years of service to the Association, both as a Board Member and as the Chairperson of the Finance & Budget Committee. He was presented with a framed photo of his favorite Caughlin Ranch cottonwood tree.

Mike, along with his wife Barbara, moved to Caughlin Ranch in 2001. He joined the Board in 2010 and served through 2015.

He has been a member of the Finance & Budget Committee for at least 10 years. A primary accomplishment was his oversight of the Water Project in 2012, which has saved the Association close to 2 million dollars to date.

He is leaving us in good hands as he has been working with Marty Kwitek to "take over the reins." He encourages other homeowners to become involved and volunteer.

IMPORTANT NOTICES & REMINDERS

HOLIDAY DECORATIONS & LIGHTS

What a sight to behold throughout Caughlin Ranch HOA (CRHA) this holiday season! Thank you to those who brightened up your neighborhoods with decorative displays! Just a reminder that all holiday decorations and lighting must be removed by the last full weekend in January.

WELCOME NEW AND RETURNING CAUGHLIN RANCH BOARD MEMBERS!

At the Annual Members Election Meeting on November 19th, four (4) CRHA homeowners were seated to the Board of Directors, three (3) two-year terms and one (1) one-year term. Three are returning members, Steve Bremer, Al Dennis and Mike Ginsburg, and the other is new member, Jeanne Naccarato! Welcome! In addition, Allen Black was appointed to the Board to fill the remaining one-year position recently vacated by Thomas Keiffer.

The Board selected their officers during the Organizational Meeting (following the Annual Meeting). They are Mike Ginsburg, President; Al Dennis, Vice President; Steve Bremer, Treasurer; and Jon Ericson, Secretary. Directors for 2025 are Allen Black, Harvey Miller, and Jeanne Naccarato.

SNOW REMOVAL - IT'S SNOW JOKE!

If your home has a sidewalk that is adjacent to your property (even if it is a vacant lot), both the City of Reno and Washoe County require the property owner to promptly remove snow and ice from your property and the adjoining sidewalks (front and sides). Promptly means within 24 hours of a snow event.

CRHA only plows the streets owned by the HOA and other private streets for which they are contracted. Once the streets are plowed, CRHA will begin clearing the asphalt walking paths.

All other streets are under the jurisdiction of either the City of Reno or Washoe County. Below are links for snow removal details for both of those entities.

City of Reno: <https://www.reno.gov/government/departments/public-works/maintenance-operations/street-maintenance/snow-and-ice-controland>

Washoe County: https://www.washoecounty.gov/csd/operations/roads/Snow%20and%20Ice/snow_and_ice_control.php

And even though it's not a law, we encourage you to be a good neighbor and assist those who live nearby who may not have the physical ability and/or means to remove their own snow and ice.

To learn about CRHA's Snow Removal Policy, please visit the website at www.caughlinhoa.com and search under "Governing Documents."

POND SAFETY

PLEASE do not attempt to walk, shuffle, or crawl upon an icy pond; the ice may not be thick enough to support any weight. Also, many of the ponds are still flowing below the surface which means the pond will not freeze solid. Please keep your family and animals safe by staying away from the ponds.

TRASH & RECYCLING CONTAINERS

Monday is collection day. Trash and recycling containers shall not be placed outside for pick-up any sooner than Monday morning and shall be stored out-of-view by Monday evening. The only exception is if you already have an animal resistant container in-service. Please contact Waste Management for pricing and availability to obtain an animal resistant container.

For prices and availability call 775-329-8822

CRHA SPEED LIMITS AND CROSSWALKS

This is your regular **(and most important)** reminder to please watch your speed as you travel through the community. The main thoroughfares are posted at 25 mph (maximum). Pedestrians, ducks and geese (and other living things) have the right of way on all Caughlin Ranch roadways. Please be vigilant as you drive through the community. Slow down and help save a life. Be especially careful at crosswalks. Allow pedestrians and wildlife to safely cross the street before proceeding on your way.

PATHS AND TRAILS

Please remember there are **no motorized vehicles permitted** on the walking paths, trails or sidewalks within Caughlin Ranch HOA (CRHA) nor in [Village Green Park](#). This includes, but is not limited to, **electric bikes/scooters**, hover boards, mopeds, motorcycles, 4-wheelers, etc.

Bicyclists, skateboarders, and other non-motorized wheeled transports are reminded to yield to all foot traffic on the paths and trails. Please be courteous to those around you, travel slowly and cautiously and be aware of walkers, joggers, strollers, and dogs (who must be on leashes).

To report unsafe riding (such as speeding ebikes), you may contact the Reno Police Dept at 775.334.2677 (non-emergency number), or the Reno Police Dept Front Desk at 775.334.2175.

As information, all walking paths/trails within CRHA are open to the public per a 1987 Agreement with Washoe County. And all CRHA streets are open to all CRHA homeowners.

To obtain a copy of a map of the CRHA trails, please visit the HOA office or the website.

DOGS

When walking dogs within the CRHA community, the City of Reno, Washoe County and Caughlin Ranch HOA all require that dogs must be kept on a leash and controlled by a person capable of controlling the dog. If dogs are found to be off leash, owners will be asked to either leash the dog or leave the community. To report loose, dangerous/nuisance dogs, please call Washoe County Animal Control at 322-dogs (3647).

There are "Doggie Stations" with bag dispensers and trash containers located throughout the common areas. Thank you to everyone who picks up after their pets and helps keep this community beautiful! We appreciate you.

CRHA WATER AND IRRIGATION

Please call the HOA office (775)746-1499 to report all water-related issues, even during after-hours. The 24-hour answering service will relay the message to the on-call staff person. Please do not report water-related issues via email as emails are not monitored after-hours.

COMMUNITY REMINDERS:

OTHER COMMUNITY REMINDERS:

- Signs:** "For Rent" and "For Sale" signs shall be purchased from the Caughlin Ranch HOA office.
- Yard Maintenance and Yard Debris.** Even during the dormant months, there is debris that accumulates from trees losing their leaves and needles. Thank you for keeping it cleaned up!
- Lot Maintenance.** Homeowners are responsible for the general maintenance of their lots, which includes removal of debris, trimming plants and trees that encroach onto the public right-of-way, and removal of noxious weeds.
- All Exterior improvements/**modifications to homes and yards (front and back) require prior written approval from the Architectural Control Committee (ACC) before any work may commence.

All applications to the ACC are the homeowner's responsibility. HOA staff may speak directly with your contractor (with your permission), but the homeowner must be involved in the process and is responsible for all decisions and actions.

The ACC meets twice per month (except in November and December when they meet once per month). Visit caughlinhoa.com or contact the office for more information.

- Fence Maintenance.** Please take the time to inspect your fences and make the necessary repairs. Before making any changes to your fencing (altering the type of fence, staining/painting, etc), please contact the office for fence requirements which may be specific to your neighborhood.
- Trailers (Campers, RV's and otherwise)** may not be parked within the community for more than 48 consecutive hours nor for more than five (5) days in a 30-day consecutive period.
- CRHA Ponds.** CRHA ponds are not for swimming, wading or fishing. Please be respectful and do not permit your pets to chase or harass the birds or other wildlife in or around the ponds. Also, a reminder that the fish provide an important service to the community by keeping the mosquito population at bay; they are not meant for recreational fishing. There are also turtles, crawdads and other such critters that cohabit peacefully in the ponds. The message is, let's all just enjoy viewing the wildlife in their habitat.

Our Nevada Stories Launches Online Story Gathering Program

- Celebrate Nevada Day 2026 by Sharing Stories of Life in the Silver State -

As part of the Semi-quincentennial anniversary of the founding of the United States of America, and with the generous support of the NV Energy Foundation, the Nevada Division of Museums and History and Nevada Arts Council have teamed up to collect stories from Nevadans for the first statewide oral history archive. This historic archive will be curated as an audio time capsule comprised of stories of multiple generations and perspectives.

State of Nevada Folklorist Brad McMullen will be gathering stories about Nevada from in-person interviews and an online portal – Their Story. The audio and video clips will then be used to create a podcast series launching in 2026. The content will

also be used in State Museum exhibits and kept in a statewide archive in perpetuity.

The online submission system is open and ready for submissions and may be accessed from the America250 Nevada website, America250Nevada.org. In addition to the online portal, those interested in telling their unique stories within an interview process are invited to contact Brad directly at bmcmullen@nevadaculture.org.

For more information on America250 Nevada's other initiatives, Nevada Gives and the Civic Seal Scholarship program, visit www.America250Nevada.org. While there, web visitors can find America250 Nevada events in their area.
