

SOCKTOBER

Socktober is an annual month-long community-wide initiative held throughout October 2026 focused on collecting brand-new socks.

The socks are distributed to the Washoe County Senior Center, Kids Kottage and Project 150.

The Caughlin Ranch HOA community generously donated 773 pairs last year and it is our goal to collect 1,000 pairs this year.

Please help us by dropping off or place an online order and have it shipped directly to our office.
